Contingency Pick Rules

Mustang/Bronco/Pony

TEAM SPONSORSHIP & CONTINGENCY PICKS

To All Team Managers:

In the Mustang Division, the Manager and one Coach will be able to lock their children on their team. One contingency pick will be allowed if three sponsorships are acquired prior to skills day with parent approval. The contingent player will not participate in skills day and will be placed automatically on that team with a completed “Contingency Pick Authorization Form”.

In Bronco and Pony Division, the Manager and two Coaches will be able to lock their children on their team. One contingency pick will be allowed if three sponsorships are acquired prior to skills day with parent approval. A second contingency pick will be allowed for two more sponsorships. The contingent player(s) will not participate in skills day and will automatically be placed on that team with a completed “Contingency Pick Authorization Form”.

Please note only new players to Mustang, Bronco and Pony Divisions will be allowed to become contingency picks. No second year players already assigned to Hemet Youth Baseball teams will be allowed to become contingency picks.

Contingency Pick Authorization Forms must be submitted prior to scheduled divisional skills day. Sponsorship checks must be attached to the Contingency Pick Authorization Forms in order to be valid.
